Montana Health Care Programs Notice

Mental Health Centers and School-Based Services

Comprehensive School and Community Treatment (CSCT) Requirement

The following is intended to provide clarification of the new rule and policy regarding the submitting of annual documentation to the Children's Mental Health Bureau.

ARM 37.87.1803(11) states: *The school must submit to the department an annual report prepared jointly by the school and the mental health center regarding the effectiveness of the CSCT program.*

- Reports need to be submitted by June 30, the end of each state fiscal year.
- Reports need to be signed by both a representative of the school district and the mental health center.
